EXTRA GENTLE Foaming Cleanser

Ellgy h2o Extra Gentle Foaming Cleanser

The new generation solution to sensitive problem skin comes in a ready-made soft foam.

- Ellgy h2o Extra Gentle Foaming Cleanser was developed for sensitive and problematic skin.
- Ellgy h2o uses a hypoallergenic cleansing agent that is three times gentler* than the commonly used Sodium Lauryl Sulfate and it does not contain parabens.
- The pump forms a soft foam that is gentle on the skin.

* Data on file.
